OUR MISSION

Classic Art Archive serves as a digital sanctuary for the Old Masters, curating the world's most iconic artworks for a modern global audience. We are dedicated to preserving the legacy of classical art by providing historical context and uncovering the stories behind the masterpieces, transforming each post into a gateway for art historical discovery.

Our mission extends beyond preservation to connection. By bridging the gap between the timeless and the contemporary, we ensure these works continue to inspire new generations.

SERVICES

INSTAGRAM POST

\$650

A single, high-quality post seamlessly integrating your brand into our aesthetic feed.

SPONSORED STORY SERIES

\$450

A sequence of 3-5 engaging stories to tell a narrative, using polls and the link sticker to drive action.

DEDICATED REEL
